Interview: The oral examination consists of a Viva Voce test of 50 marks, which is designed to assess a candidate's intelligence, personality and confidence. The minimum passing marks will be 50%.

Medical Examination: All the candidates, qualified after interview, will undergo a medical examination at selected Military Hospital and only those candidates found medically fit, will be considered for selection and admission to the RIMC. Medical Examination of the candidates forms only a part of the system of selection and does not guarantee the final selection.
